## Tuition Refund Plan FAQ

### **What if I change my mind about the Tuition Refund Plan after completing the WIS Enrollment Contract and indicating my preference?**

You may change your mind prior to the August 1 enrollment AND withdrawal deadline for the Tuition Refund Plan provided you notify the WIS Business Office in writing of your final decision.

### **What is Tuition Refund Insurance?**

Tuition Refund Insurance protects families against a loss of their annual tuition should a student withdraw or be dismissed during the academic year. It refunds a portion of the insured tuition based on the date of separation.

### **Why should I participate in the Plan?**

Your child's tuition is obligated for the full 2016-2017 academic year as of the June 1, 2016 contract binding date, regardless of absence, withdrawal or dismissal. By participating in the Tuition Refund Plan, you will be protecting your tuition investment against unpredictable events. The Plan also assists you in meeting any unpaid tuition obligations due under the terms of the WIS Enrollment Contract.

### **What types of separation are covered?**

Withdrawals due to relocation, financial difficulties, change of objective, academic issues, student illness or accident and dismissal by the school are all covered.

### **When does the coverage begin?**

August 1, 2016 for student medical withdrawals and after the student has attended school for 14 consecutive days for other withdrawals or dismissals.

### **How much of my tuition obligation is covered by the Plan?**

Refunds are calculated based on the prorated days remaining in the school year at the time of withdrawal/dismissal. Benefit calculation is based on 100% of this time remaining for qualifying medical (physical) withdrawals, 75% for dismissal and 60% for withdrawals due to all other reasons.

### **What is not covered by the Tuition Refund Plan?**

As with all insurance coverage, there are conditions and exclusions of which you should be aware. Please be sure to read the Plan document that is available with the Enrollment Contract.

### **How do I participate in the coverage?**

Indicate your participation choice on the Enrollment Contract. The school will bill the student account for the premium charge. Payment is due with the July tuition payment.

### **What is the deadline to enroll in or withdraw from the Tuition Refund Plan?**

The enrollment AND withdrawal deadline is August 1 for participation in or withdrawal from the Tuition Refund Plan.

### **What is the enrollment deadline for students admitted to the school after the August 1 enrollment deadline ("late-entering students")?**

Late-entering students who commence classes after opening day may enroll in the Tuition Refund Plan provided the premium is paid within 10 days after they start classes. For these students medical coverage begins on the date the premium is received. Non-medical coverage is effective after the student has satisfied the fourteen-day attendance requirement.
