Washington International School Auxiliary Programs, in partnership with Sodexo, offers an optional hot lunch program for students in Pre-Kindergarten to Grade 5. At WIS, healthy, balanced, nutritional meals are made fresh daily in the Tregaron campus kitchen. Lunch consists of a hot entrée, soup, salad, and fresh fruit. Vegetarian options are available every day. All food products are exclusively purchased from Sodexo-approved purveyors who adhere to the required criteria and safe food policies necessary to prevent food-borne illness and disease. Menus meet the recommended daily allowances for vegetables, meat and starches, and do not contain nuts or pork.

Wednesday is pasta day, a very popular option for many students. On Friday, pizza is the entrée du jour. Wednesday Pasta and Friday Pizza are also offered separately to students who are not enrolled in the full lunch program.

The following enrollment options are available:

Winter Term – January 11th to March 18 (10 Wednesdays, 7 Fridays and 44 days)

**Voucher for one meal:** $6.50. You can also purchase several vouchers and use them at any time.

To enroll your children in the program, please return the attached form to Auxiliary Programs, WIS, 1690 36th Street NW, Washington, DC 20007 or Lilia Aparicio at aparicio@wis.edu as soon as possible and no later than January 8. **CHANGES IN ENROLLMENT WILL BE ACCEPTED UNTIL January 19, 2016 AND MUST BE REQUESTED BY EMAIL AT aparicio@wis.edu.** Prorating cannot be done for less than a term. The school reserves the right to cancel the program if the number of participants falls below the minimum number required. Those signed up for the whole year would receive a prorated refund.

**Sodexo and Sustainability**

As a leader in food management, Sodexo acknowledges its social and environmental responsibility and strives to meet these responsibilities by developing policies that take into account the social and environmental ramifications of sustainability. Sodexo focuses its sustainability efforts in three areas:

- Improve nutrition and health
- Promote sustainability and the environment
- Contribute to local communities
