WIS After School & Auxiliary Programs Mission Statement
WIS Primary School After School is a safe and international community for children, with programs to expand knowledge and build life skills through hands-on learning adventures.

After School Operations in 2016–2017
For the first two weeks of Primary School (August 29th through September 9th), Auxiliary Programs will be running the Extended Day Care program on a drop-in basis only. Fall After School classes begin on Monday, September 12th and will run every day school is in session until Thursday, December 8th, 2016. Children and families will have the opportunity to try out classes for one week before committing to selections by Monday, September 19th. At the end of the Fall term a make-up week will take place (between December 12th and December 16th) for any classes that require re-scheduling.

About this Document
This catalog is designed to allow families to make detailed selections for After School activities. On any given day a child may stay until 6:00 PM in the After School program as long as he or she is enrolled in a class, enrolled in Extended Day Care (EDC) or in music classes. The weekly view shows what classes are offered for each age group each day. In the pages that follow, detailed descriptions of classes are included. The final section of this document has a description of the after school music program, which features instruction in piano, guitar, violin and flute.

To select a class, please refer to the Fall Registration Form, which also lists additional Auxiliary Programs services that will be offered throughout the term. Registration and all subsequent changes to the initial enrollment must be completed using the Auxiliary Programs Registration Form. All changes must be submitted in writing by 5:00 PM on September 19. Forms can be mailed to the Primary School, emailed to yanningarcia@wis.edu, or faxed to (202) 243-1798. Due to the volume of registrations we receive, we cannot currently offer confirmation of receipt. Instead, if there is an issue, we will communicate with you directly. Enrollment is done on a first-come, first-served basis (except for individual music lessons) and parents will be notified only if there is no space available in the class of their choice. In other words, no news is good news and your child has been accepted in the class.
Fees listed in this document are for the Fall session only and reflect the length and the number of classes for each activity. Additional class supply fees are already calculated, unless otherwise noted in the class description. Holidays and all school closings are already taken into account. Also included in the class fee is Extended Day Care (EDC) until 6:00 PM. However, if a child is not picked up by 6:01 PM, a late fee of $30.00 in fifteen-minute increments will be charged to the family's account. In assessing this fee, the goal is not to be punitive, but rather to encourage timely pickups and to compensate program staff for staying beyond their scheduled work hours.

Refunds will not be granted for withdrawal after the first week of After School classes. Withdrawal requests (due by 5:00 PM on September 19) must be submitted in writing. No refunds or reductions will be given for classes missed due to students’ absences or due to inclement weather conditions.

Program Procedures
When school is in session, children who have completed the school day typically proceed to the Multipurpose Room to sign in for the afternoon session and receive a snack. Once all children are accounted for, they are allowed outside (depending on weather conditions) for a few minutes of recess until After School classes begin at 4:00 PM on Mondays, Tuesdays, Thursdays and Fridays; 3:00 PM on Wednesdays). At the designated time all children proceed to either their After School class or otherwise attend Study Hall, which is segmented by grade and/or language track. Study Hall is typically led by Extended Day Care (EDC) staff members and a team of homework tutors who are assigned to each grade.

All After School classes follow one of these formats:
- 3:00–3:55 PM: Wednesdays only, due to early release time
- 4:00–4:55 PM: Monday through Friday
- 4:00–5:30 PM: Monday through Friday, only select classes
- 5:00–5:55 PM: Monday through Friday

Music tutoring classes follow different time formats according to individual student needs and instructor availability.

Non-WIS Students & After School Programs
WIS Auxiliary Programs is pleased to welcome non-WIS children who wish to attend After School classes and the music program. To ensure the safety of children who do not attend WIS during the school day, we ask all families to provide our department with basic information for each child, along with a physical examination, and immunization record. To register for our After School program, please contact the Auxiliary Programs office for assistance.

Additional Auxiliary Programs Services 2016–2017
Auxiliary Programs will offer Extended Day Care (EDC) services on the Professional Day scheduled for October 7th and on the Half Day scheduled for December 9th. For November 3rd and 4th, Auxiliary Programs will be running field trips locally (locations TBA) to offer coverage for working families. Additional Half-Day and Professional Day coverage information will be made available as the year advances. Also note that the department will be offering two break Camps this year: a Winter Break Camp from December 19-23, 2016 and January 3-6, 2017 and a Spring Break Camp from March 27–31, 2017. Finally, Auxiliary Programs also runs EDC services on parent social nights for Primary School families. Registration for all of these special events takes place online. We ask that you refer to weekly WIS email for registration links. Please be aware that, due to transportation restrictions, children under the age of 5 will not participate in field trips planned during Parent Teacher Conferences or Winter/Spring Break Camp. On-campus activities will be arranged.

New: Preschool Extended Day Care Option
As we welcome the new Preschool cohort to WIS, Auxiliary Programs will offer an EDC-only option for children in this age group. Preschool children who stay after school will remain in their classroom and a variety of activities will be planned in advance for this cohort to engage in during After School hours. At this time, the option for this cohort to take age-appropriate classes is not available.

About Other After School Classes
Choir and Band are After School activities that take place under the auspices of the Primary School. Registration for these programs is done through the Primary School administrative offices, where any questions may be referred. Since these programs take place during After School hours, we ask that children enrolled in these programs be signed out within fifteen minutes of the conclusion of the programs. If a child is signed out after this 15-minute pickup grace period, a $45.00 drop-in fee will apply. Additionally, please note that complementary childcare is not offered for siblings of children enrolled in Choir and Band.

For example, in one of our sessions students play “Doctor Tag” where they learn about the importance of doctors, working as a community and how to keep themselves healthy. In another session students play Ultimate Frisbee to promote gender equality and teamwork within their own community.

Sports for Sharing instills civic values, such as empathy and teamwork, and develops life skills for global citizenship in all students. We encourage children to become local change agents by proposing solutions to problems in their own communities and to have fun while they do it! **Extended Day Care (EDC)**
Extended Day Care (EDC) consists of After School and after hours programming meant to engage children in arts & crafts activities, organized games, casual sport matches and performances with the goal of exposing children to a variety of pursuits, foster social interactions and build community. Part of the Extended Day Care scope is Study Hall, a homework support program that is meant to offer children the necessary time to work on their daily assignments and to provide tutoring assistance to children should they need it to complete their work.

When families are signed up for After School classes, EDC is included as part of the class fee. It is also possible for families to choose EDC if you are looking to have week-long After School care at WIS but do not have a particular class choice you would like to select for a given day. **Also note that EDC is the only choice of after school childcare available for this year's incoming Preschool cohort.**

**Music Instruction**
WIS is pleased to offer private music instruction to families at competitive rates as part of the After School program. A team of well-qualified musicians leads the instruction at the WIS Primary School and lessons lead to performances where families can experience their child's development. Generally classes are 30 minutes long, but we also schedule 45-minute or 60-minute classes according to availability. Priority is given to returning students, then to students on waiting lists. For more information, please contact Yannin Garcia at yanningarcia@wis.edu or by calling 202-243-1761.
