Welcome

A Warm Welcome to You!

Dear Parents and Campers,

Whether you are just getting to know us or have been returning to our camp over the years, we would like to extend a kind and warm welcome to Passport to Summer 2016!

Our campers enjoy a unique summer experience that opens minds to an international and multicultural perspective through a wide range of programs from immersion or intensive language camps, to early childhood explorer camps, to specialty workshops with an international twist.

Washington International School’s Passport to Summer is a safe and nurturing environment, where children’s curiosity is encouraged, appreciation of other cultures is celebrated and self-confidence in one’s abilities is supported. A dedicated team of talented educators and staff accompany children and families over the course of their learning journey.

Children from all corners of the globe and all walks of life join us to share a memorable summer experience enriched with friendship, engaging activities and age-appropriate play meant to develop proficiency in various languages.

All of us look forward to welcoming you to our learning community for engaging summer full of laughter, discovery and friendship.

Terms & Conditions

Early Bird
A 5% discount is applied to registrations submitted before March 12, 2016.

Refer a Friend
Families who refer another family who subsequently signs up for a 2016 Passport to Summer program will receive a 5% discount off one child’s camp tuition. Please note, the camper referred must be a first-time registrant with Passport to Summer. During registration, please introduce us to your friend (email the friend’s name and your child’s name to summercamp@wis.edu) so we can apply the discount.

Family Discount
Any family registering two or more campers for 2016 Passport to Summer programs will receive a 5% discount for each camper for all weeks that both siblings attend. The discount does not cover lunch and transportation and will not be applied to Financial Aid recipients. To receive the discount, please contact us at summercamp@wis.edu. Families must have a minimum of two campers attending Passport to Summer at the same time in order for the discount to be applied.

Refunds
Parents will be billed and are expected to pay for all services indicated on the registration contract whether or not the service has been used. Refunds will be issued for cancellations (from parents or guardians only, please) received in writing before May 2, minus the $150 non-refundable deposit. Full refunds are only issued if a program is canceled by WIS due to insufficient enrollment. No refunds will be issued for any cancellations after May 2. Make-up days are not available.

Adjustments to Schedules
Cancellations will only be accepted until May 2. If space is available, additional

Registration and Payment
To register for any 2016 Passport to Summer program, please use the enclosed form or register online at www.wis.edu. If no form is included, please call WIS at 202-243-1791, visit www.wis.edu, or email summercamp@wis.edu.

Until May 2, a $150 non-refundable deposit must accompany the registration form to reserve a space in any program. This deposit is applied to tuition. Full payment is due no later than May 2. All registrations sent after May 2 must include full payment. Fees may be paid by check (payable to Washington International School) or charged to a MasterCard or Visa account. We do not accept American Express. A $30 fee will be assessed for all checks returned by the bank.

NOTE: All documents and payments must be sent to: Washington International School Passport to Summer 1690 36th Street NW Washington, DC 20007

Discounts
Passport to Summer discounts are applied before the final balance is due on May 2. Families can get multiple “Refer a Friend” discounts but only a single Family discount. All discounts are valid through May 2.
weeks or services may be added to the enrollment contract throughout the summer, but none may be subtracted after May 2. Transfers between programs are possible at all times provided space is available. All changes must be made in writing using an “Adjustment to Enrollment” form, which can be obtained by contacting us at summercamp@wis.edu or 202-243-1791.

Student Behavior
Students are expected to behave appropriately at all times. In matters relating to safety, conduct and discipline on campus and during camp-sponsored activities, the faculty and staff will act in the place of parents and guardians. WIS reserves the right to exclude a camper temporarily or permanently if it deems this to be in the best interest of the camp or camper. There will be no refund as a result of a camper’s expulsion.

Staff
Passport to Summer teachers, counselors and administrative staff come from many different countries. They are selected for their enthusiasm, experience and unswerving commitment to providing a safe, challenging and nurturing environment. Most of them are year-round WIS faculty, current WIS students or alumni.

Camp Director
David Sarpal, Director of Auxiliary Programs
Prior to his arrival at WIS, Mr. Sarpal spent six years working for the Campagna Center in Alexandria, Virginia. During his tenure at Campagna Kids, he served as Site Director and organized summer camp, as well as holding various roles within the organization ranging from Community Outreach & Engagement Coordinator to the Director of Marketing & Communications. He earned an MBA from University of Maryland and received his Bachelor of Arts from Vassar College; he also has completed coursework in early childhood education. Mr. Sarpal is fluent in Spanish and French and is conversant in Italian.

Administrative Assistants
Lilia Aparicio, Administrative Assistant, Auxiliary Programs
A WIS graduate (‘98), Lilia Aparicio earned a B.A. in broadcasting, television and mass media from Temple University in 2002. Her experience at WIS has been wide-ranging, including working as a summer camp teacher’s aid and teacher and now as part of the Auxiliary Programs administrative team. She also has been a primary school teacher’s assistant during the academic school year.

Yannin Garcia, Administrative Assistant, Auxiliary Programs
A dual citizen of Colombia and the United States, Ms. Garcia worked as a tutor in a primary school in Colombia before moving to the US in 1996. She began work at WIS in 1999 as a Kindergarten teacher’s assistant in the Spanish Immersion program and taught Spanish, art and cooking in the summer and for after school programs before joining the administrative team.
Please complete all four pages of this form and return it with your payment to the address listed. You may also enroll your child in Passport to Summer by applying online at http://www.wis.edu/summercamps.

Until May 2 a non-refundable $150 registration fee must be sent to reserve a place. After that date full payment must be included. (Please see Terms and Conditions of Enrollment and Payment in the brochure.) The Authorization and Emergency Medical Treatment forms may be returned now or before your child’s first day at Passport to Summer.

Immersion
Ages 3 to 11
French, Spanish or Chinese (Mandarin)
full day, 8:45 am–3:00 pm
half day option for 3 to 5 year-olds only,
8:45 am–12:00 pm
weekly, June 27–August 12

Program Focus
- Introduce and/or expand basic expressions, words, and phrases
- Develop listening and speaking skills, with exposure to reading and writing for the older campers
- Expose campers to new cultures

Main Outcomes
- Improved familiarity and confidence with a new language
- Increased appreciation of cultural differences
- Enhanced interest in language learning

Our Language Immersion Camps are designed for non-native speakers but welcome students of all levels, allowing them to explore language, customs and cultures in an interactive project-based classroom. Campers learn new expressions, words, and phrases and apply what they have learned in a wide range of activities, including games, songs, dances, crafts, stories and dialogs. Forty-five minutes to an hour of sports and games twice a week are also part of the program.

Students are divided by age into small groups to ensure maximum individual attention, with an eight to one student-teacher ratio. In addition, when possible, campers ages 6 to 11 are separated by levels, but they also take part in activities that combine beginners and more advanced students. This challenges beginners and gives experienced speakers the opportunity to help others in a nurturing and fun environment. As with all WIS language programs, all of our teachers are native speakers.

Lunch, recess, and quiet time conclude the morning session for our younger campers.

Campers also enjoy field trips and international events on site. Children 6 and older swim once a week at a nearby pool where the ratio of students to adults is four to one and children are divided by level. Water play on campus for our youngest children includes water tables, sprinklers and lots of laughter.

Languages
Intensive
Ages 7 to 11
French, Spanish
full day, 8:45 am–3:00 pm
weekly, June 27–August 12

Program Focus
- Introduce and/or develop vocabulary, grammar, and syntax
- Develop listening, speaking, reading, and writing skills
- Expand understanding of other cultures

Main Outcomes
- Improved fundamental listening, speaking, reading, and writing skills
- Increased fluency and self-confidence in another language
- Increased appreciation of cultural differences

Designed specifically for students who already are familiar with the language and seek either some reinforcement or improvement of their skills, our intensive
The ESOL immersion program provides international students an opportunity to learn and practice English. The purpose of the program is to reinforce or introduce students to written as well as oral aspects of the English language, with a strong emphasis on verbal communication. Students take a placement test on the first day to determine proficiency. Instruction is organized around a weekly theme through readings, conversations and special programs. Students work on grammar and conversation skills, as well as vocabulary acquisition.

Each week there will be time for field trips and on-campus extension activities. The field trips are to locations enhancing a student’s understanding of the weekly theme. These trips include visits to museums, Washington landmarks and excursions to nearby cities and towns. ESOL students also participate in hands-on workshops which afford them opportunities to interact with campers who are native English speakers.

This program is a wonderful way for international students to learn English, make new friends from around the world and discover some of the many sights around the DC metropolitan area.
Budding Explorers

Ages 3 to 5

FULL DAY, 8:45 AM–3:00 PM
HALF DAY OPTION
8:45 AM–12:00 PM
WEEKLY, JUNE 27–AUGUST 12

PROGRAM FOCUS
■ Nurture children’s natural curiosity
■ Develop artistic and physical expressions through creative play
■ Encourage socialization

MAIN OUTCOMES
■ Increased autonomy and confidence
■ Enhanced social skills

Designed for children ages 3 to 5, this stimulating program encourages exploration and offers wonderful growth opportunities, as well as tempting glimpses of the diverse world in which we live. Each week is organized around a theme and our Budding Explorers investigate, inquire, experiment and discover by themselves, with a friend or in groups. Music, creative arts, water play, literature, movement and games, science and technology, and outdoor activities are all part of the fun for our youngest campers. Early childhood teachers and assistants work together to create a friendly and comfortable atmosphere conducive to learning, having fun and making friends.

After lunch younger children have an opportunity to wind down during quiet time before resuming their activities.
Specialty Camps

Explorers

Ages 6 to 11

8:45 AM–3:00 PM weekly, June 27–August 12

Program Focus

- Provide opportunities to explore a wide range of activities
- Acquire or develop task-specific skills
- Promote collaboration and teamwork as well as individual achievement

Main Outcomes

- Increased ability to apply skills to new situations
- Enhanced social competencies

Each week campers will have the choice between two workshops. Each workshop encompasses a wide range of possible activities related to the central theme. Campers will be free to focus on a particular interest or to sample as many as are offered. Swimming and sports and games will round out the program.

Workshop Options

ArtMania

June 27–July 1, July 5–8, August 1–5

From painting to jewelry making and mosaics to sculpture, campers will experiment with mixed media, work with tiles and glass, and create a variety of treasures they can take home. They will work with textures, colors, shapes and forms to make jewelry, fashion clay bowls, mold three-dimensional sculptures, or use their imagination to produce an original painting.

Engineer Apprentices

June 27–July 1, July 5–8, July 11–15

Activities focus on engineering and robotics, using Lego Mindstorms NXT. Campers will have time to explore and invent their own robotics solutions and develop science, technology, engineering and math skills by building and programming smart robots in a natural, step-by-step hands-on learning process.

Young Chefs

July 18–22 and July 25–29

This summer, we’ll take aspiring young chefs on a culinary journey to faraway places and share the exotic flavors of an assortment of cuisines. We will also explore US regional cuisines. Young chefs will also learn basics in kitchen safety, proper food handling, cooking and baking techniques, presentation, table setting and manners.
Counselor in Training — Ages 12 to 15

Sounds of Music
July 25–29
Let’s take a trip around the worlds of music and sounds, instruments and voices, rhythms and harmony. Campers will explore the sounds of nature, human voices, music and instruments from many cultures and eras. They will also create their own music with traditional instruments and instruments they invent and make.

Ready, Set, Go!
August 1–5, August 8–12
Get on your marks, get set, and jump into a week of races and challenging activities that will immerse kids in reading, writing and mathematics. Campers will take part in sports and games, and work on their organizational and study skills in the afternoon. They also will go swimming once a week.

Kids Lab
July 11–15 and July 18–22
Build a compass, create a tornado and get answers to lots of fun questions as we explore the magical world of science through gooey, slimy and funny experiments. Themes include biology, plants, animals, astronomy, physics and chemistry. You will also explore science you can sink your teeth into while creating concoctions that taste good! Learn what flowers are safe to eat, discover what cool or hot chemical reactions happen as we cook, and grow your own food. Also explore cuisines from around the world to plan an international lunch.

Join us for a special three-week leadership development program designed for teens who want to become camp counselors, under the mentoring of one of WIS’s experienced teachers. Using proven online training resources combined with classroom instruction and hands-on experience, you will gain the skills needed to become every camper’s favorite counselor. You will learn effective teaching methods, sharpen your communication skills, and develop leadership competences. You will be engaged in all aspects of campus life, from supervising recess to accompanying campers to the pool and on field trips, as well as planning special activities for various age groups. Rounding off your training is an exploration of the different stages of child development, individual styles and needs as well as health and safety on and off campus.
